

Product Datasheet

MGEA5 Antibody

Catalog No: CY8647

Reactivity: Human Mouse

Isotype: Rabbit IgG

Applications: WB IHC IP

www.abways.com

Information

UniProt ID: O60502

All Names: HEXC; MEA5; Mgea5; NCOAT; OGA;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 130kDa

Application

WB 1:1000~1:5000

IHC 1:50~1:200

IP 1:80

Background

Isoform 1: Cleaves GlcNAc but not GalNAc from O-glycosylated proteins. Isoform 3: Cleaves GlcNAc but not GalNAc from O-glycosylated proteins.

Western blot analysis of MGEA5 expression in JAR cell lysate.

For Research Use Only. Not For Use In Diagnostic Procedures.
