

Product Datasheet

MSMB Antibody

Catalog No: CY8663

Reactivity: Human

Isotype: Rabbit IgG

Applications: WB IHC IP

www.abways.com

Information

UniProt ID: P08118

All Names: MSP; PSP; IGBF; MSPB; PN44; PRPS; HPC13; PSP57; PSP94; PSP-94;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 15kDa

Application

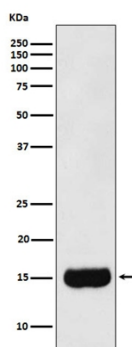

WB 1:1000~1:5000

IHC 1:100~1:500

IP 1:50

Background

Specific receptors for this protein are found on spermatozoa and in the prostate.

Western blot analysis of Prostate Secretory Protein/PSP expression in Human prostate cancer lysate.

For Research Use Only. Not For Use In Diagnostic Procedures.
