

Product Datasheet

FHL1 Antibody

Catalog No: CY8676

Reactivity: Human Mouse Rat

Isotype: Rabbit IgG

Applications: WB IHC IP

www.abways.com

Information

UniProt ID: Q13642

All Names: FHL1; FHL1A; FHL1B; FLH1A; RBMX1A; RBMX1B; SLIM1; SLIMMER; XMPMA;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 30kDa

Application

WB 1:500~1:2000

IHC 1:50~1:200

IP 1:50

Background

May have an involvement in muscle development or hypertrophy.

Western blot analysis of FHL1 expression in Human fetal muscle lysate.

For Research Use Only. Not For Use In Diagnostic Procedures.
