

Product Datasheet

CD66b Antibody

Catalog No: CY8687

Reactivity: Human

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: P31997

All Names: CD66b; CD67; CEACAM8; CGM6; NCA95;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 75kDa

Application

WB 1:500~1:2000

Background

Expressed in leukocytes of chronic myeloid Leukemia patients and bone marrow.

Western blot analysis of CD66b expression in Human plasma lysate.

For Research Use Only. Not For Use In Diagnostic Procedures.
