

Product Datasheet

Guanylyl Cyclase beta 1 Antibody

Catalog No: CY8748

Reactivity: Human Mouse Rat

Isotype: Rabbit IgG

Applications: WB IHC

www.abways.com

Information

UniProt ID: Q02153

All Names: GCbeta1; GCS beta 1; GCS beta 3; GUC1B3; GUCSB3; GUCY1B1; Gucy1b1; GUCY1B3; SGC;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 71kDa

Application

WB 1:500~1:2000

IHC 1:50~1:200

Background

Mediates responses to nitric oxide (NO) by catalyzing the biosynthesis of the signaling molecule cGMP.

Western blot analysis of Guanylyl Cyclase beta 1 expression in Human fetal brain lysate.

For Research Use Only. Not For Use In Diagnostic Procedures.
