

Product Datasheet

CA125 / MUC16 Antibody

Catalog No: CY8822

Reactivity: Human

Isotype: Rabbit IgG

Applications: WB IHC

www.abways.com

Information

UniProt ID: Q8WXI7

All Names: CA125; MUC16; Mucin 16; Mucin16;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 1519kDa

Application

WB 1:500~1:2000

IHC 1:50~1:200

Background

Thought to provide a protective, lubricating barrier against particles and infectious agents at mucosal surfaces.

For Research Use Only. Not For Use In Diagnostic Procedures.
