

Product Datasheet

Pancreatic Lipase (PNLIP) Antibody

Catalog No: CY8835

Reactivity: Human

Isotype: Rabbit IgG

Applications: WB IHC

www.abways.com

Information

UniProt ID: P16233

All Names: Pancreatic lipase; PL; PNLIP; PNLIPD; PTL;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 49kDa

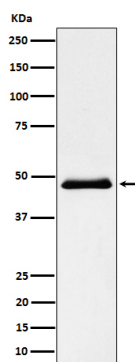

Application

WB 1:1000~1:5000

IHC 1:50~1:200

Background

Belongs to the AB hydrolase superfamily. Lipase family. Contains 1 PLAT domain.

Western blot analysis of Pancreatic Lipase (PNLIP) expression in Human pancreas lysate.

For Research Use Only. Not For Use In Diagnostic Procedures.
