

## Product Datasheet

# NKX2.2 Antibody

Catalog No: CY8858

Reactivity: Human Mouse Rat

Isotype: Rabbit IgG

Applications: IHC ICC/IF

[www.abways.com](http://www.abways.com)

### Information

UniProt ID: O95096

All Names: Homeobox protein Nkx 2.2; NK 2 homolog B; NK2 homeobox 2; NKX2 2; NKX22; Nkx2b;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: kDa

### Application

IHC 1:100~1:500

ICC/IF 1:50~1:100

### Background

May be involved in specifying diencephalic neuromeric boundaries, and in controlling the expression of genes that play a role in axonal guidance.

Immunohistochemical analysis of paraffin-embedded human pancreas, using NKX2.2 Antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
