

Product Datasheet

MYH2 Antibody

Catalog No: CY9897

Reactivity: Human, Mouse, Rat

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: Q9UKX2

All Names: IBM3; MYH2; MYH2A; MYHas8; MYHSA2; Myosin heavy chain 2; Myosin heavy chain IIa; MYPOP;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 250kDa

Application

WB 1:500~1:2000

Background

Muscle contraction. Required for cytoskeleton organization.

For Research Use Only. Not For Use In Diagnostic Procedures.
