

Product Datasheet

Phospho-PRAS40 (T246) Antibody

Catalog No: CY9961

Reactivity: Human

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: Q96B36

All Names: AKT1S1; PRAS; PRAS40;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 40kDa

Application

WB 1:500~1:2000

Background

Subunit of mTORC1, which regulates cell growth and survival in response to nutrient and hormonal signals. mTORC1 is activated in response to growth factors or amino-acids.

For Research Use Only. Not For Use In Diagnostic Procedures.
